

The City of Phoenix Pearl Harbor Day Walk would like to extend an invitation for you to participate in our annual "Parade of Patriots" held every December 7th on Pearl Harbor Day to honor the memory of all those that perished on that "Day of Infamy" in 1941.

We as Arizonan's have adopted the sailors and Marines from the USS Arizona as our own and pay special tribute to them by carrying their names as we walk from Phoenix City Hall to the Arizona State Capital (about 1 mile in distance).

This year we offer a once in a lifetime opportunity to participate in the ceremony to dedicate a new and unique World War II memorial.

A 14" gun from the USS Arizona and a 16" gun from the USS Missouri now bookend a memorial with all the names of the Arizona casualties during World War II.

The goal for the City of Phoenix Pearl Harbor Day Walk is to have a minimum of 1,177 participants.

This year we hope to break that and honor all 2400+ casualties.

Every year we make an attempt to include more children and to educate them to what makes America so great.

The US Naval Sea Cadet Corps and the City of Phoenix Pearl Harbor Day Walk offer the following to all educators for their consideration:

Dear Educator,

As many of you know, Pearl Harbor Day is December 7th. Each year the City of Phoenix sponsors a walk from Phoenix City Hall to Wesley Bolin Plaza (approximately 1 mile) to honor and remember the 1,177 sailors and Marines that lost their lives that day aboard the USS Arizona. This year has even more significance since the WWII Memorial, spearheaded by Secretary of State Ken Bennett, will be dedicated that day as well. We are asking that Social Studies and History teachers share information about this day and its significance and encourage their students to come down with their families and participate in this historic day in Arizona history by joining us for both the walk and the WWII Memorial dedication.

It is our goal is to have a minimum of 1,177 walkers this year and that each walker will carry the name of one of those who gave their life on the USS Arizona. We would like to see the schools support this by giving students the opportunity to get some type of extra credit for attending this historic, once in a lifetime event. On the back of this letter you will see an outline of what we had in mind.

There are numerous places that you can get additional information.

Sea cadets

Veterans Pride Battalion (VPB) is a Navy Sea Cadet unit based in Glendale, Arizona, and operates out of the Glendale Armory. Our core mission is to provide youth members with opportunities to develop their leadership skills, build character and become productive citizens. Drill weekends are held monthly, much like an adult reserve unit, along with other scheduled special event activities with a focus on service to the community. Two-week summer and winter training sessions are also available. Cadets wear authorized Navy uniforms appropriately marked with NSCC/NLCC insignia.

All new cadets join Veterans Pride Battalion at the rate of Seaman Recruit and are required to attend NSCC Recruit Training, better known as boot camp. This initial training is a scaled-down version of the Navy's boot camp. New cadets are instructed by active and reserve military personnel and Sea Cadet officers in military drill and discipline, physical fitness, seamanship, shipboard safety, first aid, naval history, and leadership. After cadets have successfully completed boot camp, they can then participate in advanced training which covers a wide gamut of interests and ability levels.

Membership requirements are as follows:

- Be between the ages of 10 and 17
- Must be a US Citizen
- Be a full time student and maintain satisfactory grades
- Be free of felony convictions

If you have a child interested in joining Veterans Pride Battalion or you would like to become an adult volunteer with the unit, contact us today!
